## **Teton Machine Company Achieves FDA Registration**

**Payette, ID, March 31, 2005:** Teton Machine Company operating in Payette, Idaho since 1979 was recently registered as a contract manufacturer with the United States Food and Drug Administration (FDA). This registration allows Teton to manufacture FDA approved medical devices at its Payette facility. FDA registration requires adherence to very strict rules applying to material handling, manufacturing practices, inspection techniques and record keeping. FDA registration will allow Teton to better serve its customer base of world class medical device companies.

**For Release 9 a.m. MST, April 1, 2005**
