## **Teton Machine Company Adds New Machine**

**Payette, ID, August 26, 2005:** Teton Machine Company operating in Payette since 1979 recently added to their capacity and capability by purchasing a new Mazak QTN 200 MSY. This new \$300,000.00 machine is the second multi-axis, dual spindle computer controlled lathe with live tooling in Teton's arsenal, and joins a number of other computer controlled lathes, swiss style computer controlled lathes, computer controlled machining centers and high tech inspection equipment.

Teton serves world class manufacturers like Hewlett Packard, Varian and Johnson and Johnson from its Payette location. More information is available on Teton's web site at [www.tetonmachine.com](http://www.tetonmachine.com)

**For Release 9 a.m. EDT, September 1, 2005**
